TO WHOM IT MAY CONCERN

I am pleased to write a letter of recommendation for Shubham Kapoor.

Shubham Kapoor worked as an intern for VKarma Edutech Pvt Ltd as Django Developer from April 28, 2020, to July 5, 2020. Being a developer, he wrote code for management systems. His responsibilities included requirements analysis and design of complex software applications.

During his employment, Shubham proved himself to be a dependable Intern and a hard worker with solid problem solving and technical skills. I was always impressed by Shubham's ability to complete the work assigned to him on time. He takes his work very seriously.

Overall, Shubham is a talented, hard-working, team player, and proactively helps his teammates regarding hard technical issues.

I strongly recommend Shubham as an excellent and professional worker.

Sincerely

Surbhi Singhal
